

Team Greyhound Adoption of Ohio, Inc.

Adopter/Donor Privacy Policy

Team Greyhound has adopted the following donor privacy policy to help assure its adopters/donors of their privacy in contributing to the organization.

Our Commitment To Privacy

Your privacy is important to us. To better protect your privacy we provide this notice explaining our online information practices and the choices you can make about the way your information is collected and used. To make this notice easy to find, we make it available on our homepage and at every point where personally identifiable information may be requested.

The Information We Collect:

This notice applies to all information collected or submitted on the Team Greyhound website. On our application page, you will be asked for the following personal information:

- Name
- Address
- Email address
- Phone number

On the application page, you will also be asked to submit information about other people that you list as personal references. The types of personal information collected are:

- Name
- Address
- Phone Number
- e-mail address

The Way We Use Information:

We use the information you provide about yourself when applying for adoption only to complete that application. We do not share this information with outside parties except to the extent necessary to complete the adoption. Team Greyhound will only use personal information to process adoptions, contributions, communicate with adopters and update them about organization events or programs.

We use the information you provide about someone else when applying for adoption only to complete your application. We do not share this information with outside parties except to the extent necessary to complete the application.

We offer Kroger gift-cards which you can purchase for yourself or for another person. Information you provide to us to purchase a gift-card is only used for that purpose.

We use return email addresses to answer the email we receive. Such addresses are not used for any other purpose and are not shared with outside parties.

Finally, we never use or share the personally identifiable information provided to us online in ways unrelated to the ones described above.

Our Commitment To Data Security

To prevent unauthorized access, maintain data accuracy, and ensure the correct use of information, we have put in place appropriate physical, electronic, and managerial procedures to safeguard and secure the information we collect online.
